What shared as their experiences

ER readers & extracurricular at schools	ER readers & parents, community members engagements	ER project & local governor funds	ER activities & integration with other subject activities
<ul style="list-style-type: none"> Sakura & Solongo fs schools using Xreading.com as a club 4th school SB,Selenge whole class students have a reading marathon by Children Organization. Saikhan II&I schools are motivating ER students via xreading.com at social media they are having to school group "Talk with us" posts as they are young journalists 	<ul style="list-style-type: none"> School at Zuunburen, raise funds for xreaders from school alumni on Facebook connection School at Bayan-Adarga, khentii raised fund for xreaders with project implementers Baganuur, ER teachers challenged other subject teachers into 3 weeks ER reading marathon 	<ul style="list-style-type: none"> Selenge Province Foreign Language Specialist, allowed all 80 English teacher to become Admin teachers to xreading.com ER best practice by Tsatsral admin teacher funded an ER project by Umnugobi Province Governor to increase English exam average results in short period 	<p>Private school a Chenistry subject teacher , Ch Enkh-Amar share xreaders improved not only English vocabularies or skills of listening / reading but also they became sociable and understood communication skills based on reading and their real life experiences. She organized a travel with students & Essay writing assignments integrated with Mongolian teacher, Observation quizzes tested by Biology or Animal Science Subjects.</p>

MERA has a list of experience sharing practices in the following columns;

How to motivate ER readers through extra curricular

How to invest the Extensive Readers by parents and community groups

How to advocate local decision makers by Best Practices

How to integrate ER with other subject teachers and character building

Conclusion of Experience Sharing Practice named National Facilitator Seminar

Mongolian Extensive Reading Association has successfully organized Experience Sharing Practice based seminar to identify the best examples among ER experiencing teachers in virtual environment for Four Days. Strategy of the training was participatory and practical ways. Beyond seminar progress, statement of networking and partnering discussed that certified participants and National Facilitators are key representatives on ER at provincial and district levels.

- 1) more than sixty participants joined, yet 50 shared their less and more practices within 4 - Day - Seminar.
- 2) 14 the best practitioners were handled a National Facilitators' Certificate and 36 received participant Certification on ER in Mongolia.
- 3) Number of local trainings and National Program by Institution for Teachers Development scheduled by MERA practices sharing submission on Extensive Reading so far.

Thank you very much for attention!
